Objections to the Confirmation of the Recens size of the Plant Reard.

Citicaco, Aug. 28—Obdgections to the confirmation of the recent sale of the whisky trust plants were heard Toesday mornin; in the federal court by Judge Searman. They were made on behalf of Joseph Greenhut. Nelson behalf of Joseph Greenhut and the ownership of the shares claimed it be held by the reorganization committee is still in dispute before the master, and that the American Spirits Manufactures. Co. of New Yook as also no behalf of the receiver. Levy Mayer asked that the whole of these objections should be stricken from the file on the ground that Greenhut and the other complainants were in no way interested, affected or aggrieved by the sells. Attorney Eddy, on behalf of the complainant, intimated that if of the decree and would, if necessary, carry the case to the supreme court.

After hearing arguments the court

entered the decree confirming the sale, but allows the objections to remain on the file for the purpose of showing the attitude of the parties and the exact grounds for the objections. Greenhut and Morris' attorneys will argue their right to appeal.

State of the state nections. This feat is remarkable, taking the extremely low water in consideration, and wins for her captain and capable crews an envisible record. At the beginning of the season President Brooks, of the Coney Island Company, promised Captain Conlon as fine suit of clothes if the connections were not missed, he evidently thinking that it could not be done; but the prize has been fairly won, and the Commodore now has a chance to show his appreciation for the fine work done by the boat's commander.

The following paragraph is from The Ashland News:

"Maysville and Huntington have played eight games this season, and they stand a tie. Each club is anxious to play it off, and they will meet again at Maysville at an early date."
